QUICKWRITE

Instructions: The purpose of a Quickwrite is to gather ideas or brainstorm on a topic before a class discussion or activity. Answer the question below to the best of your ability without worrying about grammar or punctuation.

What do you think the challenges will be in teaching your subject (Math or Science) in English? Discuss them on the lines below.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
